

Guidance for KMPG LAHORE test.

I've taken test for KPMG Islamabad..May be it shares as guidance for Lahore test too.

It was 100 marks paper with 2 hours time..there was choice for attempting essay on only one of the topics.The paper was not too tough not too straight forward.If you have revision you can easily score good marks.(and remember ,test is not the sole criteria for selection)

30 marks for Financial Accounting 2

20 marks for Audit

15 marks for C.law

15 marks for IQ questions

20 marks for Essay Writing

(topics: mobilization of wealth , importance of discipline)
